<b>Society of St. Andrew - Gleaning</b>	Religious Organization	Since 1995, the Society of St. Andrew has operated a statewide, volunteer-driven Gleaning Network in Florida that coordinates with local farmers, thousands of volunteers, and food providing agencies. Through the Florida Gleaning Network, we coordinate volunteers across the state who actually enter fields and groves after farmers have finished harvesting and simply pick up the tons of good produce left behind. Volunteer groups are encouraged to take food back to agencies or programs that they support in their local area.	Throughout Florida	<a href="https://endhunger.org/florida/">https://endhunger.org/florida/</a>	Varies - check schedule at <a href="https://endhunger.org/florida/">https://endhunger.org/florida/</a>	407-650-1956

<b>UF Student Compost Cooperative</b>	University	The Student Compost Cooperative (SCC) is a cross-disciplinary outreach program dedicated to promoting sustainability at the campus and community level. The SCC has an open door policy. Food waste can be brought to the composters at any time. When you place your food waste in the composter, please turn the compost to mix the fresh food waste into the compost. Turning facilitates the biodegradation and prevents odors. If you do not have a container to transport your food waste to the composters, we can provide you with one.
